

BLUEY'S HEPTATHLON

EVENT 2

GRANNIES RACING

(Please don't use real Grannies unless they are willing)

How to Play:

1. Create a start line and a finish line.
2. Create 4 or 5 stops where the runners must add an item of Grannies clothing.
3. Call out "ready"- and the players approach the start line.
4. Call out "set"- the players get into position as Grannies (it's more fun if you run in character).
5. Call out "go"- the players must run to each stop and add an item of clothing.
6. First to the end wins, so long as they're fully dressed in their Grannies outfits.

Rules:

1. You must be fully dressed in each item before you move to the next stop.
2. The items at each stop must be similar so it's fair.
3. Examples of items: glasses (please make sure they're not someone's that they need to see with), walking canes, sheets, dresses, ponchos, hats, bean cans.
4. You can't obstruct another's run.
5. You can't steal someone else's garment.
6. One player from each team to go at a time.
